Today we relive the magical era of steam trains when we hop aboard the **Zig Zag Railway**. Our journey today takes us from Clarence to Bottom Points and return. The train heads down the mountain, stopping briefly at Top Points where the locomotive changes ends by running around the carriages. The train then continues to Bottom Points, where the loco will again run around the carriages. Bottom Points is the bottom of the Great Lithgow Zig Zag – and the half-way point of the journey. The engine may take on water and when ready will then climb back up to Clarence via Top Points. Please note: all stations on route have toilets – there are *no* toilets on the train.

We head back to Lithgow for a light lunch of mixed sandwiches, cake or slice with tea & coffee at **Lithgow Workies**.

This afternoon we make our way to **Eskbank House & Museum**, the Lithgow districts regional museum. Eskbank House was built for Thomas and Mary Brown c.1841-1842 and has been at the heart of Lithgow's industrial development ever since, being associated with the influential industrialists James Rutherford, William Sandford and the Hoskins Brothers. Set within a historic estate, the museum aims to collect, preserve and interpret the histories associated with early settlement and development of the region. Our knowledgeable guide will provide a personal tour of the museum and grounds, giving you an insight into the people and stories surrounding the estate.

Return to accommodation to freshen up before dinner.

 This morning we make our way to the **Small Arms Factory at Lithgow**.  
 The history of the Factory is about people - their aspirations, achievements and disappointments, the economic and social hardships endured, the influence of British heritage on Australia in the early 1900s, and sheer human stubbornness. It is also about the introduction of new technologies into the emerging new nation. Lithgow SAF was Australia's first high precision mass production facility. This Museum was formed to celebrate its history. Enjoy a look around the facility, with dedicated volunteers on hand to answer any of your questions. Tea & Coffee provided onsite by the museum, with light morning tea also included by Kiama Scenic Tours.  
 We then make our way back down the Blue Mountains for lunch at the **Penrith RSL**.
